# Go rustic with Delf's stylish Barn Door Furniture

Now part of Delf's comprehensive product line-up – introducing a latest addition, on-trend and on-point range of quality Barn Door Furniture that delivers enduring rustic style in a contemporary Matt Black finish.

For doors weighing up to 120kg and with door thickness of 35-45mm, the country-inspired range includes hanging rail sets in J-shape, Horseshoe, Diamond and Arrow designs – all finished in long-wearing Matt Black.

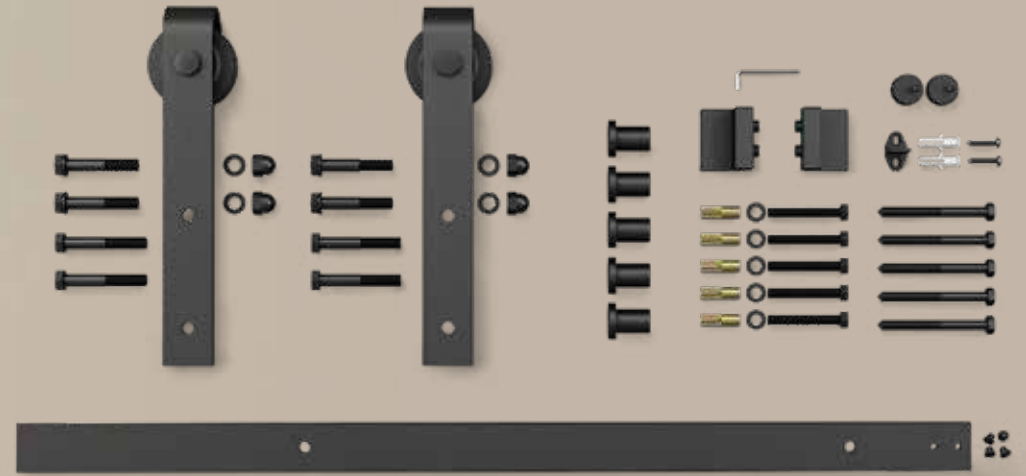

And while bringing just the right look to any setting, the new Barn Door range (as with all Delf products) is backed by our Quality Guarantee – so it's built to endure.

## Get your barn style rolling with these easy-to-assemble DIY Roller kits

Delf's Barn Door 2m Roller Kits are available in four designs, Arrow, Diamond, Horseshoe and J-Style - versatile to create good looks in a design of your choice.
